

First Grade Readiness!

This summer we are planning one week of "First Grade Readiness." We will focus on phonemic awareness and reading with short vowel words and high frequency words. We will also put a lot of focus on our writing skills with many hands-on activities. In addition, we will work on enhancing math skills and concentrate on basic addition and subtraction. Creative artwork, games, literature, music and movement, and the use of our new Promethean board are just a few ways your child's love for reading, writing and math will be enriched. This is a great way to get your child prepared and ready for first grade!
