

St. Clement of Rome Men's Club

2017-2018 Membership Registration

The members of the St. Clement of Rome Men's Club cordially invite you to join our organization. The SCR Men's Club is a Parish Ministry consisting of over 150 members. This group of Christian men is the organization that gets things done on our campus.

The Men's Club is responsible for the Lenten Fish Fry, the Back to School Bash, the Father Daughter Dance and Crawfish Cook-off. Other annual projects include assembling and working the Oyster Festival and Craft Fair. However, the Men's Club is not just about working for the school and church. As a member, you will have an opportunity to meet your neighbors and socialize at events such as our annual golf tournament, "Day at the Races" and our standing basketball game every Tuesday night at 8:30 in the Gym. (Members only)

The Men's Club meets the second Tuesday of each month (except July) for dinner, refreshments and discussion in Vosbien Hall @7:30 pm. Recent speakers have included U.S. Attorney Kenneth Polite, Sheriff Newell Normand, Wally Pontiff, Sr., sportswriter Jim Henderson and D-Day Museum Curators. Meetings are brief which allow time for networking, socializing and camaraderie. Your taste buds will be tantalized at each meeting with dishes ranging from wild game gumbo to homemade Spaghetti & Meatballs to our annual steak night..

Please mark your calendar and join us for food and friendship. When you arrive, please stop by the officers' table so that someone may introduce you to the other members. Membership in this organization will give you the opportunity to help advance the goals of St Clement of Rome School and Parish.

If you wish to join, please fill out the form below and send it with your check made out to **SCR Men's Club for \$50.00** to the school office or Parish Center marked with Men's Club on the outer envelope.
